SONG LYRICS & VERSES

Welcome, Welcome Everyone

Welcome, welcome everyone.
We are glad that you are here.
We will dance, we will sing,
Welcome all into our ring.

Joyful Creation (by Jodie Mesler)

We gather together
To share with one another,
All around us surrounds us
With love and harmony.

Our life is a joyful creation
and our song is a joyful celebration.

We give light,
We give love,
For all living things.
With reverence,
With respect,
With responsibility.

Our life is a joyful creation
and our song is a joyful celebration.

In the living,
In the living,
Extraordinary wondrous human being.
Recognizing and uniting
The mind, body and spirit.

Our life is a joyful creation
and our song is a joyful celebration.

In the living,
In the living,
In the living heart of the human being.

Rain

The rain is raining all around
It falls on field and tree.
It rains on the umbrellas here
And on the ships at sea.

It Is Light

It is light
Come let us rise
For the sun is
In the sky.

Double Double This This

Double double this this
Double double that that
Double this, double that
Double double this that

Wind Up the Apple Tree

Wind up the apple tree
Wind up the apple tree
Apples green and apples red.

Early One Morning

Early one morning
Clearly I heard
Out in my garden
Songs of a bird.

Deep Peace within Me

Deep peace within me
Deep peace all around me
Deep peace for all beings.

Kind Hearts

Kind hearts are the garden
Kind thoughts are the roots
Kind words are the blossoms
Kind deeds are the fruits.
